

## Our Hollow Earth and it's Spirit World Counterparts

Where are Heaven and Hell in hollow planets? Can the Hollow Earth answer these questions?

Yes.

The scriptures teach us that our Earth consists of two parts. As stated in Genesis 1:1, God told Moses, "In the beginning, God created The Heaven and The Earth." -- two places.

Our Earth consists of two parts: A place called Heaven and the other place is called -- Hell --, but we call it Earth, right?

Now why would Earth be the location of Hell? Well, ask yourself, why is there so much evil in this world of ours? Could it be because Satan and his evil angels live here with us and tempt some to do evil? I would say so. But God has also given us His Holy Spirit, right? Sometimes called The Holy Ghost, the Holy Spirit is a member of the Godhead, and He has been assigned to our world to inspire us to do good. And whichever of the two, the devils or the Holy Spirit that we decide to listen to and obey is how we end up deciding either to do good or evil.

So where is Heaven? Jesus told the thief on the cross, "*Today, thou shalt be with me in Paradise.*" (Luke 23:43) The Paradise Jesus was talking about is Heaven, where the spirits of the righteous dead go to at death. Paradise is one of the two places that makes up our Earth. Jesus had previously told the Jewish Pharisees where Paradise is located in our Earth, when he said, "*For as Jonas was three days and three nights in the whale's belly; so shall the Son of Man be three days and three nights IN THE HEART OF THE EARTH*" (Matthew 12:40) speaking of where Jesus' spirit went when he died on the cross.

To confirm this location for Paradise, the Apostle Paul told the Ephesians, "Wherefore he saith, When he (Christ) ascended up on high (referring to the ascension into Heaven after His resurrection)... Now that he ascended, what is it but that he also DESCENDED FIRST INTO THE LOWER PARTS OF THE EARTH?..." (Ephesians 4:8, 9)

So we learn here that Paradise is located in the "*lower parts of the earth*" "*in the HEART of the earth.*"

So what separates Heaven from Hell so that there are two separate locations in the Earth? It's the hollow in the Earth! The scriptures call this separation between Heaven and Hell -- a Great Gulf. Abraham told the rich man in Hell that between him and Lazarus (who was in Paradise with Abraham) there was a Great Gulf fixed so that none could go from Paradise to Hell or from Hell to Paradise.

Abraham told the rich man in Hell,

"And beside all this, between us and you there is a GREAT GULF FIXED: so that they which would pass from hence to you cannot; neither can they pass to us, that would come from thence." (Luke 16:26)

So what do polar explorers discover when they enter the polar openings into the hollow of the earth? They see the Inner Sun suspended in the center of the hollow of the earth. It is the HEART of the Earth. It is the location of the Heaven of this Earth, and is called Paradise.

In their journey into the far north explorers Olaf and Jens Jansen caught sight of the Inner Sun. Olaf Jansen wrote,

*"One day about this time, (38 days sailing northeast of Franz Josef Land about August 1, 1829) my father startled me by calling my attention to a novel sight far in front of us, almost at the horizon. 'It is a mock sun,' exclaimed my father. 'I have read of them; it is called a reflection or mirage. It will soon pass away.'"*

*"But this dull-red, false sun, as we supposed it to be, did not pass away for several hours; and while we were unconscious of its emitting any rays of light, still there was no time thereafter when we could not sweep the horizon in front and locate the illumination of the so-called false sun, during a period of at least twelve hours out of every twenty-four."*

*"Clouds and mists would at times almost, but never entirely, hide its location. Gradually it seemed to climb higher in the horizon of the uncertain purple sky as we advanced."*

*"It could hardly be said to resemble the sun, except in its circular shape, and when not obscured by clouds or the ocean mists, it had a hazy-red, bronzed appearance, which would change to a white light like a luminous cloud, as if reflecting some greater light beyond."*

*"We finally agreed in our discussion of this smoky furnace-colored sun, that, whatever the cause of the phenomenon, it was not a reflection of our sun, but a planet of some sort--a reality." (THE SMOKY GOD, pp. 85-87)*

Olaf Jansen further described this Inner Sun as they observed it throughout their two and half year stay in the land of Our Hollow Earth:

*"The great luminous cloud or ball of dull-red fire, fiery-red in the mornings and evenings, and during the day giving off a beautiful white light, 'The Smoky God,'--is seemingly suspended in the center of the great vacuum 'within' the earth, and held to its place by the immutable law of gravitation..."*

*"The base of this electrical cloud or central luminary, the seat of the gods, is dark and non-transparent, save for innumerable small openings, seemingly in the bottom of the great support or altar of the Deity, upon which 'The Smoky God' rests; and, the lights shining through these many openings twinkle at night in all their splendor, and seem to be stars, as natural as the stars we saw shining when in our home in Stockholm excepting that they appear larger. 'The Smoky God,' therefore, with each daily revolution of the earth, appears to come up in the east and go down in the west, the same as does our sun on the external surface. In reality, the people 'within' believe that 'The Smoky God' is the throne of their JEHOVAH, and is stationary. The effect of night and day is, therefore, produced by the earth's daily rotation." (THE SMOKY GOD, pp. 108-110)*

Amazingly, Olaf's description of the Inner Sun as a "great luminous cloud" and the "throne" of Jehovah is very similar to a conversation between Jehovah and the prophet Job when He said,

*"Hearken unto this, O Job: stand still, and consider the wondrous works of God. Doest thou know when God disposed them, AND CAUSED THE LIGHT OF HIS CLOUD TO SHINE?" (Job 37:14, 15)*

In another place, Job tells his friends of the North Polar Opening and of Jehovah's throne in the shining cloud:

*"He stretcheth out the north over the EMPTY PLACE, and hangeth the earth upon nothing...He holdeth back the FACE OF HIS THRONE, and spreadeth his CLOUD upon it." (Job 26:7, 9)*

The ancient American prophet Alma told his son,

*"Now, concerning the state of the soul between death and the resurrection--Behold, it has been made known unto me by an angel, that the spirits of ALL MEN, as soon as they are departed from this mortal body, yea, the spirits of all men, WHETHER THEY BE GOOD OR EVIL, are taken HOME to that God who gave them life."*

*"And then shall it come to pass, that the spirits of those who are righteous are received into a state of happiness, which is called PARADISE, a state of rest, a state*

*of peace, where they shall rest from all their troubles and from all care, and sorrow."*

*"And then shall it come to pass, that the spirits of the wicked, yea, who are evil--for behold, they have no part nor portion of the Spirit of the Lord; for behold, they chose evil works rather than good; therefore the spirit of the devil did enter into them, and take possession of their house--and these shall be cast out into OUTER DARKNESS; there shall be weeping, and wailing, and gnashing of teeth, and this because of their own iniquity, being led captive by the will of the devil."*

*"Now this is the state of the souls of the wicked, yea, in darkness, and a state of awful, fearful looking for the fiery indignation of the wrath of God upon them; thus they remain in this state, as well as the righteous in paradise, until the time of their resurrection." (Alma 40:11-14, The Book of Mormon)*

Paradise (which is the Heaven of this Earth) is where the spirits of the righteous go at death. The spirits of the wicked also go to Paradise to be judged of Christ, but after their judgement they are cast out of Paradise into Hell (also called Outer Darkness), which is located in the shell of the planet. Have you ever been in a cavern when they turn off the lights? It is DARK. Outer Darkness could not be out in space, because in space the stars, the moon and the Sun are always shining.

From our perspective on the outer surface of the planet, Hell is DOWN in the shell of the planet. From the perspective of Paradise located in the center of the planet (the Inner Sun), Hell is "outer" or away from the central location of Paradise. Hell is "outer darkness" because within the shell, it is dark, and is located "outer" or away from the center of the planet where Paradise is located.

Christ revealed to the American prophet Joseph Smith, of those who go to Hell at death,

*"These are they who are liars, and sorcerers, and adulterers, and whoremongers, and whosoever loves and makes a lie...These are they who ARE CAST DOWN TO HELL..." (D&C 76:103-106) So Hell is located in the shell of the planet.*

The prophet Joseph Smith taught that the place the spirits of the righteous go at death is a place of flaming fire and is not far from us:

*"The spirits of the just are exalted to a greater and more glorious work; hence they are blessed in their departure to the world of spirits. ENVELOPED IN FLAMING FIRE, THEY ARE NOT FAR FROM US, and know and understand our thoughts, feelings, and motions, and are often pained therewith." (TEACHINGS, p. 326)*

So Paradise (Heaven) where the righteous dead go at death is a place of "flaming fire" and is located in the "lower parts of the earth" in the center or "heart" of the Earth.

The Book of Mormon prophet, Nephi and his father Lehi had a vision in which they saw Paradise, "and the brightness thereof was like unto the brightness of a flaming fire," (I Nephi 15:30) wherein is located a Fountain of Living Waters and the Tree of Life.

After God drove Adam and Eve from the Garden of Eden, God transplanted the Tree of Life from the Garden of Eden to Paradise so they could not return to the Garden and partake of it and *"live forever in their sins."* The Genesis account of God placing *"Cherubims and a flaming sword which turned everyway, to keep the way of the tree of life"* (Genesis 3:27) refers to the transplanting of the tree of life from the Garden of Eden to the Interior Sun which is a "flaming sword" which turns *"every way to keep the way of the tree of life"* until they had repented of their transgression of having partaken of the forbidden fruit and had accepted Christ's atoning sacrifice for them.

In this vision, Nephi and Lehi saw the world where numberless concourses of people were pressing forward toward either a Rod of Iron, which was a personification of the Word of God and its Strait and Narrow Path, or toward a Large and Spacious Building which was a personification of Hell (Earth) where the wicked people dwell.

Nephi also noticed a fountain of *"filthy waters"* and a river of water or *"many waters"* which *"was a representation of that awful hell, which the angel said unto me was prepared for the wicked."*

And between Hell and Paradise was *"an awful gulf which separated the wicked from the tree of life, and also from the saints of God."* (I Nephi 15:28, The Book of Mormon)

In Deuteronomy Heaven is spoken of as a place that a person can go to and bring something back from: *"For this commandment which I command thee this day, it is not hidden from thee, neither is it far off. It is not in heaven, that thou shouldest say, Who shall go up for us to heaven, and bring it unto us, that we may hear it, and do it?"* (Deuteronomy 30:11, 12)

There have been whole cities taken up to Heaven, buildings, people and all. In Moses 7:31 (of the LDS scripture called The Pearl of Great Price) is the record of the City of Enoch which was taken physically into Heaven. *"And thou hast taken Zion to thine own bosom...and truth is the habitation of thy throne..."* and verse 21, *"and lo, Zion, in process of time, was taken up into heaven."* (See also Genesis 5:24)

See also Moses 7:69: *"And Enoch and all his people walked with God, and he dwelt in the midst of Zion; and it came to pass that Zion was not, for God received it up into his own bosom; and from thence went forth the saying, Zion is Fled."* Perhaps the reason why Atlantis has never been discovered in any ocean depths is that Atlantis could have actually been the City of Enoch, but instead of sinking, it was taken by God to Heaven.

The prophet Noah and the Angels of God preached repentance to the people for several hundred years after the City of Enoch was taken to Heaven and those that repented were also taken to Heaven. *"And Enoch beheld angels descending out of heaven, bearing testimony of the Father and Son; and the Holy Ghost fell on many, and they were caught up by the powers of heaven into Zion."* (Moses 7:27) That is perhaps why only 8 people were saved alive on Noah's Ark, because all the rest of the righteous people were physically translated and taken to Heaven, the Heaven of this Earth -- the Inner Sun.

People that have died and medically resuscitated have seen this city in Paradise. After dying, these people tell how they pass through a dark tunnel through the Earth's shell, and come out in the center of the Earth in Paradise -- a place of brilliant light, where they see the City of Enoch. They are told that if they enter the city they cannot come back to life.

In his book, *Reflections on Life After Life*, Dr. Raymond Moody relates the experience of one woman he interviewed concerning her death experience:

*"There was a vibration of some sort. The vibration was surrounding me, all around my body. It was like the body vibrating, and where the vibration came from, I don't know. But when it vibrated, I became separated. I could then see my body...I stayed around for a while and watched the doctor and nurses working on my body, wondering what would happen...I was at the head of the bed, looking at them and my body, and at one time one nurse reached up to the wall over the bed to get the oxygen mask that was there and as she did she reached through my neck..."*

*"And after I floated up, I went through this dark tunnel...I went into the black tunnel and came out into brilliant light...A little bit later on I was there with my grandparents and my father and my brother, who had died...There was the most beautiful, brilliant light all around. And this was a beautiful place. There were colors--bright colors--not like here on earth, but just indescribable. There were people there, happy people...People were around, some of them gathered in groups. Some of them were learning..."*

*"Off in the distance...I could see a city. There were buildings--separate buildings. They were gleaming, bright. People were happy in there. There was sparkling water, fountains...a city of light I guess would be the way to say it...It was wonderful. There was beautiful music. Everything was just glowing, wonderful...But if I had entered into this, I think I would never have returned...I was told that if I went there I couldn't go back...that the decision was mine." (REFLECTIONS, pp. 15-17)*

Even after the Flood of Noah, there was another city that was translated and taken to Heaven. It was the City of Salem, (now called Jerusalem). Their king was Melchizedek. The prophet Joseph Smith recorded in his translation of the Bible, *"And men having this faith, coming up unto this order of God, were translated and taken up into heaven. And now, Melchizedek was a priest of this order; therefore he obtained peace in Salem, and was called the Prince of peace. And his people wrought righteousness, and obtained heaven, and sought for the city of Enoch..."* (The Joseph Smith translation of the Bible, Gen 14:32-34)

At the beginning of the coming Millennial Reign of Jesus Christ, Heaven and Hell will change places. The righteous dead will be resurrected at Christ's Second Coming. The City of Enoch will return to the surface of the planet. Paradise in the Inner Sun will be emptied of all its righteous souls, and during Christ's Millennial Reign on Earth, the shell of the planet will become Heaven, and the Inner Sun will serve as a prison for Satan and all his evil angels.

The Apostle Peter said, *"And he shall send Jesus Christ, which before was preached unto you: Whom THE HEAVEN must receive until the times of restitution of all*

*things, which God hath spoken by the mouth of all his holy prophets since the world began." (Acts 3:20, 21)*

God, the Father told the prophet Enoch that his City will return to the surface of the planet in the last days before Jesus' Coming in Glory: *"AND RIGHTEOUSNESS WILL I SEND DOWN OUT OF HEAVEN; and truth will I send FORTH OUT OF THE EARTH, to bear testimony of mine Only Begotten; his resurrection from the dead; yea, and also the resurrection of all men; and righteousness and truth will I CAUSE TO SWEEP THE EARTH AS WITH A FLOOD, to gather out mine elect from the four quarters of the earth, unto a place which I shall prepare, an Holy City, that my people may gird up their loins, and be looking forth for the time of my coming; for there shall be my tabernacle, and it shall be called Zion, a New Jerusalem."*

*"And the Lord said unto Enoch: Then shalt thou and all thy city meet them there, and we will receive them into our bosom, and they shall see us; and we will fall upon their necks. And they shall fall upon our necks, and we will kiss each other;" (MOSES 7:62, 63)*

Then God will send an angel to gather up Satan and all his devils and cast them into the "bottomless pit" which is the hollow earth, into the Inner Sun, which then will not be Heaven, but Hell, just because of who will be living there -- Satan, all his devils and the wicked spirits of those who have died and who are cast down to Hell: *"And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season."* (Revelation 20:1-3)

Lucifer's wish finally will come true in which he aspired to ascend into Heaven. But it now will be a Hell, just because he is there: *"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit."* (Isaiah 14:12-15)

So during Christ's Millennial Reign on Earth, the shell of the planet will be Paradise or Heaven, and the Inner Sun will be Hell. Then as John the Revelator saw, after the Millennium, Satan and his Devils will be loosed again on the earth to test the righteous people who have lived during the Millennium. Lucifer will then gather his armies and surround the Saints of God and fire will come down out of Heaven and consume all the wicked followers of Satan. The Earth will then die and be resurrected to become the Celestial abode of the righteous. Jesus Christ promised that *"the Meek shall inherit the earth."* (Matthew 5:5)(Revelation 21, 22)

So what will happen to Lucifer, all his Devils and the Sons of Perdition that receive the Second Death, which is a permanent separation from God's presence? When the Earth dies after the Millennium, all these damned souls will be sent to a Black Hole planet in the center of the Milky Way Galaxy called Perdition: *"The beast that*

*thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition...*" (Revelation 17:8) Perdition is a Black Hole planet that is also hollow, but with so much gravity that no-one that is placed there will ever come out again. Perdition will be a permanent Hell for Lucifer, all his Devils and the resurrected Sons of Perdition. The gravity entering the Perdition black hole planet is transformed into radiation by its Inner Sun that shoots out its polar openings with so much force and energy that it can be seen extending like powerhouse beacons far above and below the galactic plane.
